### **Upper Clatford Village Hall at 7.30pm**

**This vibrant guitar and voice duo from Spain brings the passion and drama of Flamenco to their mixture of Latin based songs and instrumentals.**

Their music combines original compositions influenced by their stay in the UK with traditional material from Spain and South America. Synergy's guitar playing is fiery and complex and features traditional flamenco pieces and exotic accompaniment, moving from irresistible South American rumbas and tangos to complex Andalusian tempos.

**Their energy is contagious and this live show is presented with upbeat humour and anecdotal song intros.**
