

## Help share that “warm feeling”

We all like the warm glow that comes from feeling good in a safe, friendly and comfortable place. So would you like to take part in an exciting new project being piloted in rural Hampshire and become a Warm Hub?

Warm Hubs is an award-winning scheme that has swept across Northumberland, where 20 Hubs have been developed over the past two years. It's a project which supports and benefits community buildings, volunteers and the local community. Everybody involved can benefit from the warm glow created.

We have been chosen to work with Community Action Northumberland to run our very own pilot Warm Hub Scheme in Hampshire. We then hope to roll out the scheme across the county with support from SGN and Scottish and Southern Electricity Networks.

### **Come and find out more**

If you'd like to be involved in this exciting opportunity or wish to learn more about Warm Hubs, we would like to invite you to a presentation event on Tuesday 20<sup>th</sup> March 2018 at South Wonston Village Hall, Downs Road, South Wonston, Winchester SO21 3EW to enjoy a buffet lunch, watch the Warm Hub movie and discuss how the project will be delivered across Hampshire. The session will last from 10.00am to 12 noon, followed by lunch.

### **We look forward to seeing you!**

So that we make sure there are enough refreshments, please let Jo Dixon know that you will be attending. Email: [Joanna.dixon@actionhampshire.org](mailto:Joanna.dixon@actionhampshire.org) or phone 01962 857354
